## Community Projects

A big THANK YOU to everyone who contributes to our Community in need.

We continue to donate quilts to Linus for teens graduating from the Foster Care Program, and welcome quilts of any size to be donated to area hospitals. Kits are available at meetings, and we continue to take donations of fabric, batting or thread. UW hospital doll patterns are available upon request.

We have gotten a request from UW Health for **fidget blankets**. These blankets are for “confused” patients to distract from medical apparatus, etc. You will find many ideas online, including Pinterest. Kits are available at meetings. Turn these in to Helen Flores, 273-8813.

Specifications are as follows:

- 1) Blankets should be small enough to drape over a patient's lap.
- 2) All embellishments should be securely attached to the blanket. (This is a must!)
- 3) Avoid small beads, baubles, etc. as they could become a choking hazard. Larger beads and buttons are acceptable as long as they are securely attached.

UW Hospitals have also indicated they have an adequate supply of “UW Hospital dolls” and will notify us when there again is a need for them. If you have any, feel free to give them to me, and I will store them for the future.

Any longarmers wanting to quilt a quilt top, please contact me. Batting and backing will be provided along with the quilt top.

Suggested quilt sizes for the Foster Care Program: 63” x 87” to 78” x 87”.

#### 2018-2019 Totals:

Total contributed for the year	105
Finished quilts given to Linus	136
UW Hospital Dolls	40

***Project LINUS***      The Madison Chapter for Linus is looking for a new coordinator. If you are interested in getting involved in a rewarding non-profit giving organization, please contact the present coordinator at the Linus website [www.projectlinusmadison.org](http://www.projectlinusmadison.org). This organization meets once a month to sort donated blankets to be distributed. You would have a great support group to assist you along the way, and would manage duties in conjunction with the National Chapter.
