BLOTTO

2019-2020

NOVEMBER: Hot Chocolate!

Block #2 Presentation: **November 5** (afternoon) & **November 25** (evening)
Combined Drawing for Block #2 **December 10** (holiday Dinner)

Brrr! After a day of skiing on the slopes or on the trails, making snowmen and snow angels with children...or just removing snow from the driveway!...come in from the cold and warm up a bit with a hot cup of cocoa or tea, while whipping up a few Tea Cup quilt blocks. Bring back memories of warmer weather by using pretty florals as the main fabric. This block is the perfect start of a holiday gift--add a border to one block and it's a mug rug, or center one inside a large log cabin block for a placemat or table topper.

FINISHED BLOCK SIZE: 9.5" x 9.5"

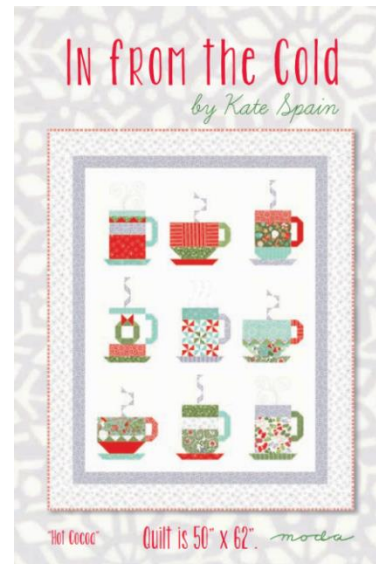

MUG BODY & SAUCER: FLORAL

MUG BASE & HANDLE: CONTRASTING SOLID, TEXTURE, or TINY PRINT

BACKGROUND: SNOW WHITE or WHITE-on-WHITE TEXTURE

DIRECTIONS: *See Separate Document*

If you win the blotto, consider sewing a coffee/chocolate pot block and position all the tea cup blocks around it.
