

Mad City Quilt Guild Workshop – Making a Bargello Quilt

Saturday, April 4, 2020, 9am – 3pm

Middleton Community Church

For many quilters, the idea of making a bargello quilt is overwhelming. Many assume it's too difficult and never get started. Come to this workshop, to learn the techniques to construct a small bargello quilt project that can be made into a table top decoration or a wall hanging. You can then use this lesson to make a larger project or a bed size quilt at home.

At the Mad City Quilt Guild evening meeting on Monday, March 23rd, Bill Hoernke will give a lecture on "Finding the Inspiration to Make Your First Bargello Quilt". If you can attend the meeting and find a little bit of that inspiration, then you will likely want to take this workshop to get started on your project (attending the lecture is not required to take the workshop).

To register for this workshop, fill out the form below, include a check for \$30 payable to Mad City Quilt Guild and give to Dee Van Driel or Bill Hoernke at a meeting or you may mail it to:

Bill Hoernke, 2218 Schroeder Lane, Stoughton WI 53589

Questions for Bill about the workshop of fabric selection? Send e-mail bhoernke@gmail.com or call/text 608-235-1122. Space is limited. A supply list will be provided to you after registration.
