

Sexy Sixties Workshop
Saturday, April 25—9 a.m. – 3 p.m.
Middleton Community Church

Yes, those 60° triangles are indeed sexy. Depending on your fabric choices, a little ingenuity in strip piecing, and easy piecing techniques, you can make visually stunning quilts. And you'll be astounded how easy they are to work with.

Join guild member Mary Joy Johnson in this workshop to learn the secrets of manipulating these triangles as you make a table runner. She will also talk about the many ways to design with these versatile blocks.

To register for the workshop, fill out the form below and give to either Dee Van Driel or Mary Joy, along with a check for \$30 made out to MadCity Quilt Guild.
