Community Projects

THANK YOU for your continued contributions to our Community in need. We continue our mission of donating quilts to Linus for teens graduating from the Foster Care Program, and welcome quilts of any size to be donated to area hospitals. Kits are available at meetings as well as quilts that need binding completed.

Suggested quilt sizes for the Foster Care Program: 63 X 87 to 78 X 78

Total contributed for the year: 155
Finished quilts given to Linus: 209

I have asked that only completed quilts be donated at this time (except for kits). With the help of other long-armers, we are attempting to eliminate the numerous quilt tops we already have, to better handle things in the future.

Any fabric donations should be 2 yards (or more). This is specifically for backing to finish quilt tops. Our fabric stash for making kits is plentiful.

And if you haven't heard the big news -- here it goes!! Sandy Shepherd has volunteered to take over as Community Projects Coordinator. She has been a great help to me the past few years along with others who don't hesitate to volunteer. She has great new ideas, and I know our Guild will continue to support her.

Join us at **Market** as we downsize our stash of fabric! At least 15 containers overflowing with fabric will be available for purchase at \$1.00 per piece. In addition we have jelly rolls, fat quarter bundles and other miscellaneous items. Books and patterns will also be available.
